Transport activity

Owing to long-term contracts with companies-owners of transport in Russia and EU and sea lines Taisu TB may offer its Clients high quality services in organization of:

- auto delivery cargos from Europe;
- multimodal shipments through port of Novorossiysk (Russia) and ports of Kotka/Hamina (Finland);
- avia and railway deliveries through SVO airport and Kuntsevo railway station;
- Local deliveries (including Republic of Belarus and Kazahstan).

TAISU TB provides you with high quality customs brokerage service:

- **Minimal time for customs clearance procedure** (now it is average 1.2 days per shipment)
- **Reliable and update consultation in documents preparing** (no claims from customs side to our Clients in 2011)
- **Professional staff** (100% of declarants are certified by Federal Customs Service)

TAISU TB uses the wide range of PC software which is intended for satisfying our Client's needs, it gives a possibility to:

- **Use Client's files** in agreed format to receive information necessary for Customs Declaration and import this information to "Alta" software;
- **Offer full information from Customs Declaration to Client** by exporting it from "Alta" software to Client's file;
- **Inform Client using Client's PC software such as Booking Management System (BMS)** about truck arrival time to customs terminal, date of Customs Declarations issue and estimated time of truck arrival to Client's W/H;
- **Use Client's information from BMS** for more efficient work organization and timely formed set of documents necessary for customs clearance.

To: Taisu Company
15.04.2011

Dear Mr. Kochin

We would like to express our respect and really say that you very much for you supporting Panasonic during whole 2010 Fiscal year.

Your Company made very impressive job in the inbound transportation, customs clearance, warehouse, domestic transportation of different categories of our product.

Especially we would like to emphasize the quality of your operations. You had the best accuracy in the inbound lead time and the lowest level of warehouse errors (=0.003% which is 3 times better than Panasonic standards) among all forwarders whom we are working in Russia and CIS.

Also we would like to express our gratitude for support Panasonic by your Company in very non standard situations and readiness of Taisu staff to work very hard to satisfy our requirements.

In 2011 Fiscal year we will continue and even increase the cooperation with you Company and we consider Taisu as one of our main logistics partners who is helping and will be helping Panasonic to achieve the ambitious business target of our Company in Russia and CIS.
